

*"We find and nurture each young person's unique spark".*

23rd March 2020

Dear Parents and Carers,

While we have endeavoured to keep the school open, most of our pupils are either self-isolating or parents/carers have chosen to keep their young person at home during this unprecedented time. As a result, we will be temporarily closing the school from 24th March 2020.

In keeping with our parents/carers preference, we have set up an online system so that we can continue to work with our pupils remotely.

Staff will work online with pupils via Google Classroom over the week and Ciana has already sent you the details.

I will keep in touch with you by video call and phone and you are very welcome to contact me as well.

Please note that the school can be contacted via Ciana at [ciana.pires@edithkayschool.com](mailto:ciana.pires@edithkayschool.com) or [admin@edithkayschool.com](mailto:admin@edithkayschool.com) and the school's mobile number is **07983934923**.

Kind regards,

Karen
